RESIDENT

SPOTLIGHT

Elizabeth Johnson has been a resident at Parkway Place for nine months. Ms. Johnson and her husband moved from St. Louis, MO. to Houston, TX. to be closer to her only granddaughter and her loving daughter Karen. Elizabeth said Parkway Place was her first choice in choosing a wonderful retirement place to live. Elizabeth loves the staff and feels everybody is very nice. Elizabeth enjoys playing bridge, attending bible study in her spare time, and visiting with others.

The Astros will begin the 2024 season with a 4 game series against the New York Yankees, starting with Opening Day on Thursday, March 28, which marks the third time Houston will begin the season vs. the Yankees and the 2nd time at Minute Maid Park. The Astros are 2-0 on Opening Day against the Bronx Bombers, winning 6-2 in 2014 at home and 5-2 in 2016 on the road. 2024 marks the second year with the new schedule format of playing every other Major League Club in a single season. The Astros will host 22 different teams at Minute Maid Park in 2024, which includes 8 National League clubs and all 14 other American League clubs.

Easter celebrates Jesus' supernatural resurrection from the dead, which is one of the chief tenets of the Christian faith.[44] Paul writes that, for those who trust in Jesus's death and resurrection, "death is aswallowed up in victory." The First Epistle of Peter declares that God has given believers "a new birth into a living hope through the resurrection of Jesus Christ from the dead".Christian theology holds that, through faith in the working of God, those who follow Jesus are spiritually resurrected with him so that they may walk in a new way of life and receive eternal salvation.

HAPPY 100TH BIRTHDAY JANE WULF!

We are celebrating the 100th birthday of Jane Wulf on March 5. She is a longtime resident of Parkway Place. During her many years in Independent Living her activities included maintaining a raised garden of roses and amaryllis behind B building. Playing bridge with friends was a favorite activity, one she continued after her move to Assisted Living. A major project Jane was involved in was becoming the leader of a quilt group known as 'The Parkway Quilters'. The ladies made hundreds of lap quilts which they distributed to skilled nursing residents, donated to Houston area charities such as Memorial Assistance Ministries, and sold to raise money for donations to additional charitable groups. Ms. Wulf may your special day be filled with sunshine, smiles, laughter and love...exactly what you've brought the world for 10 decades. Have a very happy 100th birthday!

March Is Social Work Month

Dami Aderinol
Director of Social Services

Social Work Month in March is a time to celebrate the great profession of social workers. The theme for Social Work Month 2024 is Empowering Social Workers! National Social Work Month was officially born in 1984 when the White House recognized March as the month to celebrate these everyday heroes. We want to honor the countless social workers who make a profound impact on the lives of individuals and families every day. Social workers are integral in our communities, serving as advocates, counselors, and supporters to those in need. We are grateful for our social workers and for those making a difference in the community! "Happy Social Work Month "
