RESIDENT

SPOTLIGHT

Martha Lindsey was born in Blinkwood, Tx. Martha and her family moved to Port Arthur about 2 years later, she attended Port Neches Groves High School. After high school went on to study Art at Lamar University. While at the University, she took her first trip abroad, to Rome. She did not graduate as her portrait business took off. Later, Martha got in touch with The Watercolor Society and was able to take a trip to the south of France for an art camp with 17 of her friends.

She then went on to attend a 6-week course at The Paris American Academy. She has 3 children, 6 grandchildren, and 2 great-grandchildren. Martha ultimately retired from Sysco as a Department Secretary in her later years. Martha went on to meet Tom Gray through some mutual friends. She loves to paint portraits and pastels. "Parkway Place means a whole lot to me. I heard about Parkway from a resident before coming. I made up my mind and said I did not want to go anywhere else. The people here make you feel right at home. The longer I'm here, the more I love it. I love everything about it."

Writer's Corner

It's time to be glad, not gloomy or sad

We're alive so be joyful today.

Our joy is here for us to share

By giving some of it away.

So, go out there and share

What has been given to you.

Make someone else's life brighter

Maybe someone's load lighter

Because you stopped them to say

"Good to see you and have a good day."

"A DAY TO SHARE" BY LEN HICKS

CINCO DE MAYO

Cinco de Mayo is a holiday that celebrates Mexico's victory over the French at the Battle of Puebla on May 5, 1862. It's not really a popular holiday in Mexico, but in the United States it has become an important way to commemorate Mexican culture and heritage especially in Mexican-American populations.
