

## MEMORANDUM

**To: Residents & Families**  
**From: Amy Shields, Executive Director**  
**Date: July 6, 2024**  
**Re: Weather Watch**

---

Because you and your safety are the highest priority we have, Parkway Place is actively monitoring tropical storm Beryl disturbance in the Gulf of Mexico. Based on current meteorological forecasts, we are preparing to shelter-in-place for the safety of residents and associates.

As a precaution, we have activated the Buckner Emergency Preparedness and Operations team and are prepared with supplies, equipment, transportation, and evacuation plans should Parkway Place be affected by this weather event.

For the time being, we advise you to also monitor weather updates on the news this weekend.

Our emergency response plans are aligned with guidelines from Texas Health and Human Services and the Centers for Disease Control to properly mitigate risks, as well as any mandates from Houston County officials.

We will continue to monitor the situation and update you should there be any significant developments. If you have any questions or concerns, please contact Parkway Place at 281-305-1846.

Thank you for your patience and understanding.
