RESIDENT SPOTLIGHT

Georgann Raney was born in Houston, TX in 1933. She is the oldest of 3. Her brother lives in Cleveland, Ohio and her sister is a retired opera singer and professor at the University of Kansas. Georgann graduated College with a degree in music education, with her major instrument being Pipe Organ. She went on to become a music and history teacher, and a church organist from the time she was 18 years old. She was married in 1957, to John Raney. John was a childhood friend of Georgann. Their dads worked together at Gulf Oil, where her dad was a pitcher for their baseball team. John and Georgann have 2 children. Their daughter, Karen has 2 children, Parker and Gianna, and their son, John has 2 children, Jessica and Jordan. Georgann has traveled pretty extensively to watch her sister, Joyce Castle, perform throughout the US and Europe. She moved to Parkway Place in 2024, and loves it! "I had lived at a Buckner facility in Beaumont for 3 years and enjoyed it very much. After my husband passed away, I decided to be closer to my kids and move to Houston. The friendliness and welcoming nature of the people continues to amaze me!"

OCTOBER

Oh, October can it be true
That you are here at last?
We've been waiting for you.
Brighter and cooler days,
That special freshness in the air.
Football season, comfy chair.
Humorous ending. What a scene.
Oh, yes. It's called Halloween!

Sun Protection Is Important

Protecting your face from the sun is the best way to keep it youthful. You must regularly use a sunscreen that protects against UVA and UVB light, with an SPF of at least 30. Wearing a wide-brimmed hat is also a good idea. Moisturizers soothe dry skin and may temporarily make wrinkles less noticeable. Moisturizers for the face contain water to make them less greasy. Exfoliant creams can improve the appearance of older skin by getting rid of dead skin cells that don't slough off as readily as they did.
