## RESIDENT SPOTLIGHT

Clyde was born and raised in Port Arthur, TX. He spent 55 years of his life in the Beaumont area. He graduated from the University of Texas. Clyde went on to serve the country in WWII with 33 missions as a Ball-Turret Gunner on a B-17 Bomber over Germany. He has had a long and very happy life with 3 children and 5 grandchildren! We are looking forward to celebrating his 100th birthday on October 10th, 2025!

### A Word Of Thanks:

Parkway Place would like to thank all residents and guests for their patience during the aftermath of the Lobby Fire. We greatly appreciate you all for being so flexible while reconstruction efforts were underway. We are so excited to have the lobby and Brimhurst dining room back open and ready for all to enjoy!

### Daylight Savings Time!

Daylight Savings Time is the practice of moving the clock forward by one hour during the warmer months to make better use of natural daylight in the evenings. This typically means that people lose one hour of sleep when the clocks "spring forward," but gain an extra hour when they "fall back" in the fall. The goal is to reduce energy consumption by maximizing daylight hours!

## St. Patrick's Day:

St. Patrick's Day, celebrated on March 17th, honors St. Patrick, the patron saint of Ireland, who is credited with bringing Christianity to the country in the 5th century. The day was originally a religious feast but gradually became a cultural celebration of Irish heritage, marked by parades, music, and wearing green. Over time, it spread beyond Ireland and became a global celebration of Irish culture, especially in places like the United States, where large Irish communities embraced the holiday.
