## A SPECIAL WORD FOR MOMS!

Mom! The greatest word ever spoken. When we need something, Mom. When we are hurting, Mom. When we are frustrated, Mom. When we just need to talk, Mom. In the scriptures, we see many occasions regarding Mothers. Jesus took care of his mother while on the cross. Hannah anguished for a child, and God heard. Sarah was very prominent in the lives of her children. Moms can do anything. One person asked a mom if she worked. She indicated that she takes care of the family. 'Oh,' the man replied, 'you

do not work.' She replied, 'I may not be gainfully employed, but I assure you, sir, I work. I can fix a wound, straighten up a room or a life, be a taxi, maid, cook, accountant, and much more. I work, and the benefits are spectacular. Thank you, Mom, for your touch. For the radiant countenance on your face that gives me confidence. For your courage, embrace, and compassion. Thank you, Mom, for the hope you give me, the song in your heart, and the wise words in times of need. The legacy you left to me, I now pass on to my children, and the world is a better place because of a special person with a royal title: Mom.
