RESIDENT SPOTLIGHT

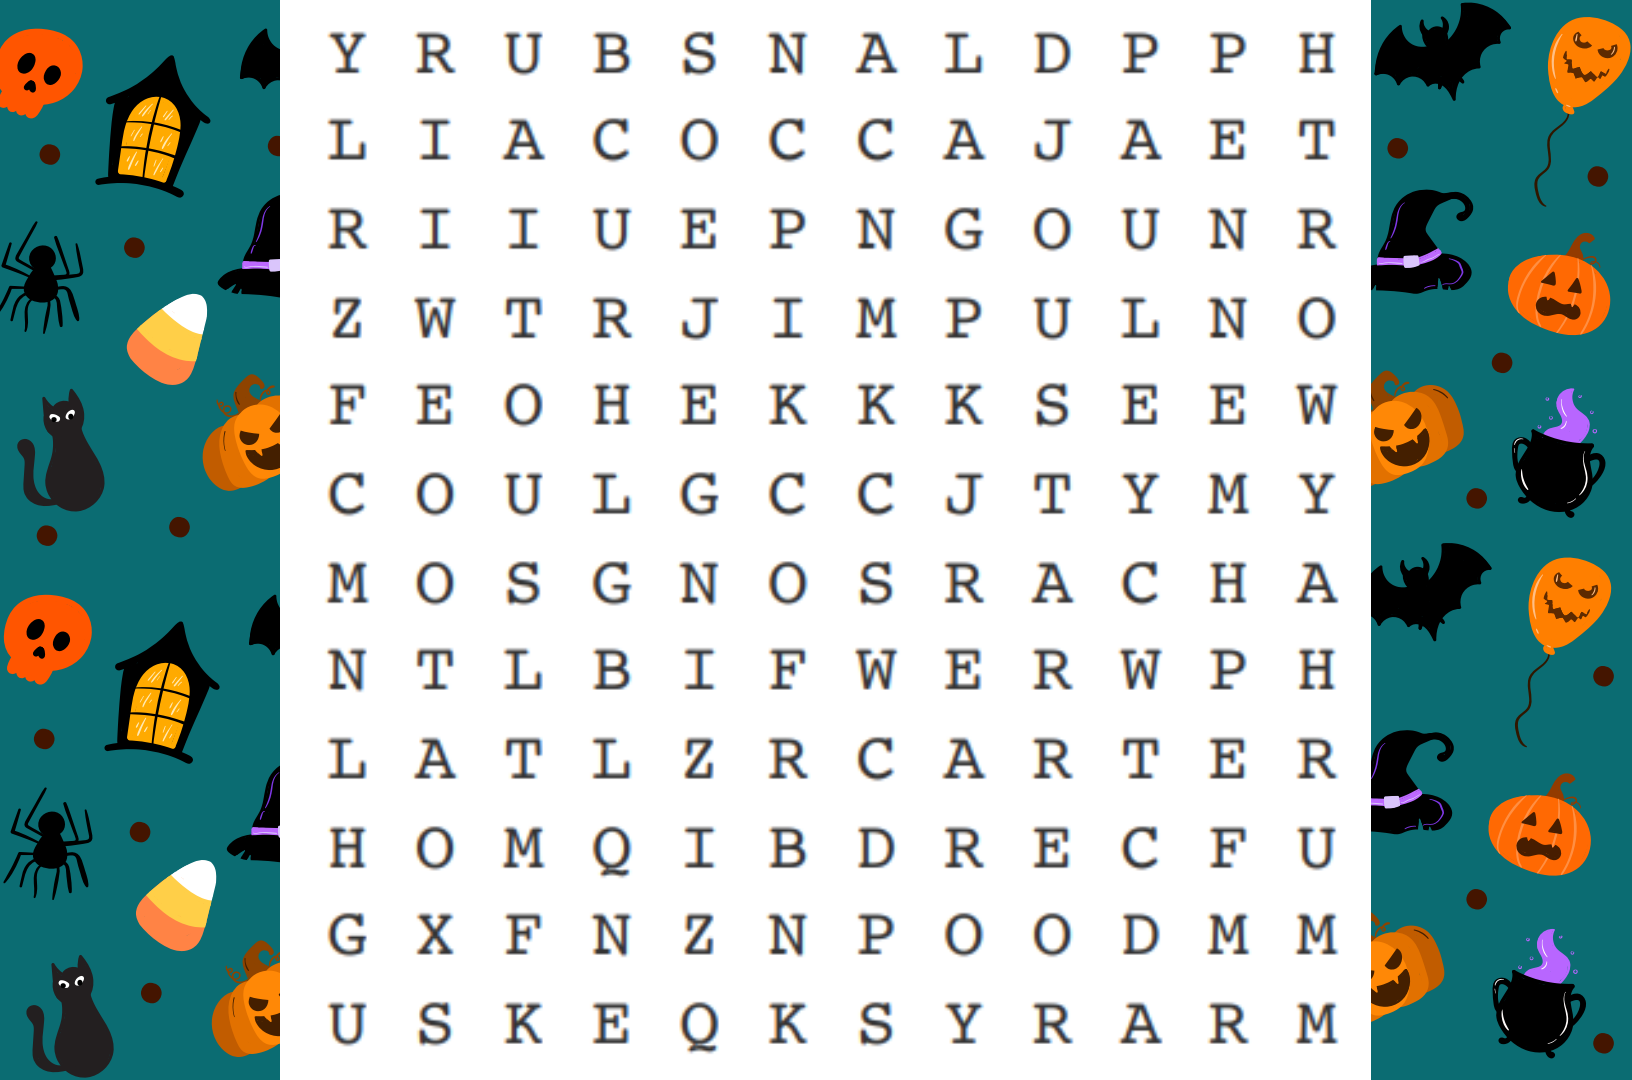

Mary Michaelyn "Mikie" Senac Ehret was born in New Orleans, and is a 6th generation native of Louisiana. Mikie is the oldest of 5 siblings, two sisters and two brothers. Mikie and her husband Berk Ehret met while attending Southwestern Louisiana Institute (now known as the University of Louisiana at Lafayette). They were married for 57 years prior to Berk's passing in 2022. Berk served for 6 years in the U.S. Army, and they were stationed at Fort Hood in Killeen, Texas. They have one daughter Susan Bradshaw, married to Bryant, and two grandchildren, Sam and Zach. Mikie is an alumnus of the University of Houston, completing her Bachelor of Science Degree in Elementary Education. She went on to receive her

master's degree in Curriculum Instruction from the University of New Orleans, and Doctoral Education Programs at Tulane University and Xavier University in New Orleans. Following a brief period of teaching in Houston, Mikie's 40-year career in education began at the Jefferson Parish Public School (JPPS) District in the New Orleans area as an elementary teacher in 1967. In 1987, Mikie was named the principal of the new Geraldine Boudreaux Elementary School in Terrytown, La. She held that position until 1998, when she was promoted to JPPS District as new elementary school curriculum director to coordinate the implementation within JPPS and to begin developing the JPPS Magnate School program. During this period, she served as the President of the Central Office and District Administration Association. The JPPS Board of Directors selected Mikie as Deputy Superintendent in 2003, a position she held until her retirement. Upon her retirement in 2007, Mikie's first task was to travel to Kuala Lumpur, Malaysia to spend time with her daughter and new grandson. Eventually, Mikie and Berk relocated to Sealy, Texas to be near family, and they quickly became a part of the Sealy community involved with gardening (TAMU Master Gardener), Church activities and various civic organizations in Austin County. Mikie was known for her extensive experience in elementary education, her dedicated work ethic with students, a wide smile and friendly demeanor. Mikie received numerous honors throughout her career, including the "Woman of the Year" in 2006, from the New Orleans Area Businesses for her outstanding contributions to education to the New Orleans area.

TIPS TO STAY WELL DURING THE FLU SEASON

The flu season runs from October to May, and while it peaks in winter, the exact timing and severity can vary from year to year. To stay well during flu season, get an annual flu vaccine, wash your hands frequently, and avoid touching your face, eyes, and mouth. Maintain a strong immune system by eating a balanced diet rich in fruits and vegetables, staying hydrated, getting adequate sleep, and engaging in regular physical activity. Practice good respiratory etiquette, such as covering coughs and sneezes, and stay home when you are sick to prevent spreading the virus.

October Is National Physical Therapy Month!

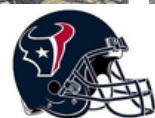

Lets celebrate Functional Pathways Therapy Department for their dedicated service at Parkway Place. National Physical Therapy Month occurs each October. Physical Therapy Month is so important because it dedicates time to highlight the role physical therapy plays in healthcare. It encourages collaboration between healthcare professionals and their patients to enhance patient care and connection, to acknowledge all of the hard and life-changing work that PTs and PTAs do, and to promote education opportunities for everyone to learn about the benefits of physical therapy. The American Physical Therapy Association uses the month to raise awareness about the benefits of physical therapy. It is a time dedicated to recognizing and celebrating the contributions of physical therapists and physical therapist assistants to our health, community, and quality of life.
