

POET'S CORNER

Fresh air at last. The heat is past. Hooray!
Go out, get that first breath of fresh air
Maybe find yourself a chair
And watch the squirrels at play
Enjoy the day!
So many bright colored leaves on the trees
And beautiful blue skies, clouds floating by
So much to take in and thankful for
Don't miss a moment. Go, get outdoors!

RESIDENT SPOTLIGHT

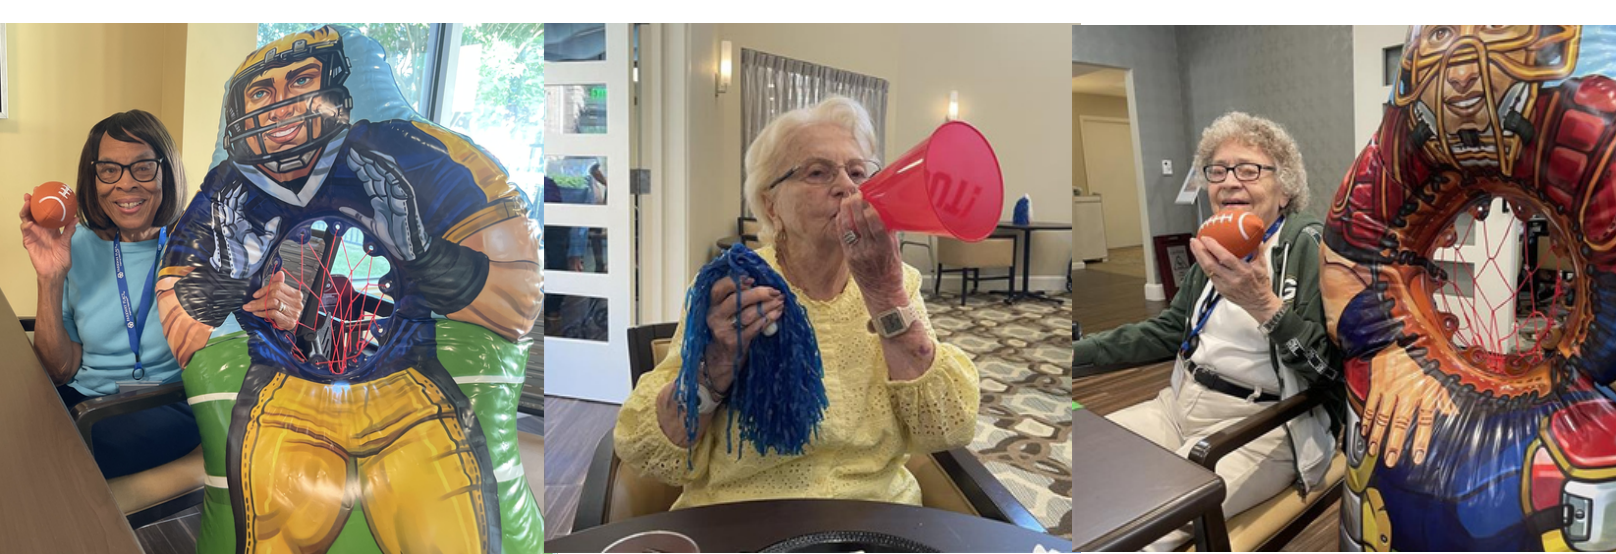

You may have seen them in the Wellness Center, playing Trivia or in the Dining Hall. Meet Joe and Norma Mosley. Joe and Norma Mosley were born and raised in Clovis, New Mexico, where they met in the summer of '48. While working at the local movie theater, Joe caught the eye of young Norma, as she and a girlfriend entered the theater. She gave him one of her classic smiles which gave Joe the encouragement he needed to call her for a date, and they haven't been apart since. They just celebrated their 73rd wedding anniversary in August, and they STILL enjoy each other's company! Joe's career as an electrical engineer allowed Joe, Norma and their two daughters, Kathy and Nancy to live in several states while

ultimately settling in Houston in the summer of '72. After retiring from Sprint in '95, they enjoyed traveling in their travel-trailer and journeyed the world with their Tallowood family through choir trips, cruises, mission trips and now, day excursions with the 55 Plus group. Tallowood has always played an important role in their lives. They served as Sunday School Directors and choir members, both for over forty years! Joe and Norma's loving family has grown into two daughters, three grandchildren and four great grandchildren. The fourth just arrived in September. They are enjoying their new life at Parkway Place and are taking pleasure in the wonderful staff, seeing old friends and making new ones.
