RESIDENT SPOTLIGHT

Jeneane was raised in Kansas, along with her brother Roger. Her father was an optician, and her mother was a homemaker. She attended Kansas State University, and earned a bachelor's degree in English and Art. There she met her husband Gene, and they married as soon as Jeneane graduated from University. They moved to Denver for Gene to start his career with Chevron and start a family. Over the next decade, Jeneane's dream of having a large family was realized and she became the proud mother of five children, Ken, Carolyn, Matthew, Catherine and Bethany. When the youngest was two years old, the family relocated to Houston due to Gene's transfer with Chevron. Their lives revolved around their faith and their family. Jeneane was happiest when she was sewing, baking, writing, painting and teaching. She taught art classes and bible study for many, many years and drew a great sense of purpose from those endeavors. An empty nest and retirement ushered in a new era when they bought acreage near Navasota and gave country living a go. Several long-held dreams were fulfilled during this chapter of her life: horse ownership, being the feature artist in a local art show, and the publication of her testimonial book, Hand of the Lord. Jeneane has been richly blessed and dearly loved in this life.

UPCOMING EVENTS

APRIL 3 | GOOD FRIDAY

Join us Healthcare for a Good Friday Service with Chaplain John Bender at 10:00 am. Good Friday is called "good" because, in Christian theology, it commemorates the day Jesus willingly suffered and died on the cross as a final, ultimate sacrifice for the sins of humanity.

APRIL 5 | EASTER

Easter is the celebration of the resurrection of Jesus Christ, marking his victory over death and the payment for humanity's sins. It symbolizes hope, forgiveness, redemption, and the promise of eternal life, offering a new beginning and reconciliation between God and humanity through the sacrifice of Jesus.

APRIL 5 | EASTER CELEBRATION

Join Healthcare for a Pre-Easter celebration with Cindy St. Cyr and refreshments at 2:00 pm.

APRIL 11 | SPRING FLING EVENT

You are invited for a spring celebration of Festivities from 10:00 am to 12:00 pm. Families and employees are welcome to attend. This event includes a petting zoo, bounce house, face painting, refreshments and music.

APRIL 22 | EARTH DAY

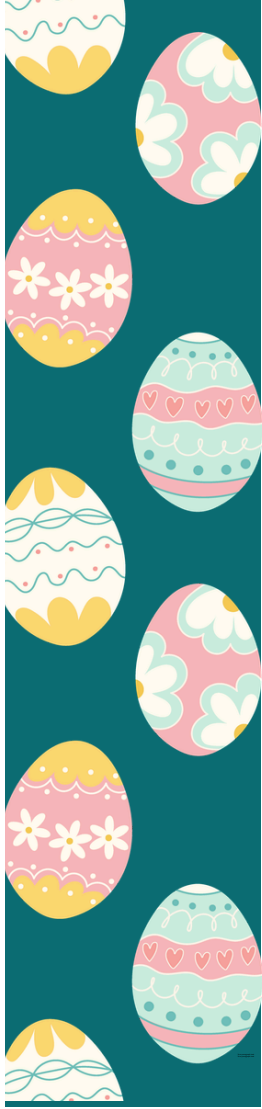

Earth Day is celebrated annually on April 22 to raise awareness of environmental problems, promote sustainability, and encourage stewardship of our planet.

ASSOCIATE OF THE MONTH

Phanna Sut has served our community for the past year as a waitstaff team member in the dining room and consistently treats residents with genuine kindness and warmth, creating a welcoming and hospitable environment in every interaction. Her friendly smile and ability to remember residents by name make each person feel valued and seen. She is frequently requested by residents to serve them, a true reflection of the exceptional care and stellar service she provides every day. She also demonstrates a strong work ethic among her coworkers—whom she fondly refers to as family—fostering a supportive and positive team environment.

☀️ Spring Sunlight and Happiness: Safe Ways to Soak Up Vitamin D ☀️

Spring is the perfect time for seniors to enjoy the outdoors, soak up sunshine, and naturally boost Vitamin D while lifting their mood. After months of winter, even a short time in the sun can increase energy, improve focus, and enhance overall happiness. Vitamin D helps keep bones strong, muscles healthy, and the immune system resilient, while sunlight also encourages the release of serotonin, promoting a positive outlook. Seniors can safely enjoy sunlight by spending 10–20 minutes outside in the morning or late afternoon, wearing sunscreen and protective clothing. Gentle outdoor activities like walking, gardening, or stretching, combined with Vitamin D-rich foods, make spring both joyful and healthy.

Healthcare Easter Celebration!

Join us on Friday April 3rd for a wonderful Easter celebration with entertainment, refreshments, bunny photo booth and a indoor Easter Egg scavenger hunt for our residents. What do we know about the Easter Egg? The History of the Easter egg been used for thousands of years to indicate the hope of new life and hope as the (northern) world gets lighter and warmer. Flowers begin to spring and young animals are born. Records indicate that as early as 200 years after Jesus' life the early church decorated eggshells red to signify the blood and empty tomb. In the earlier church, eggs were also one of the foods "given up" for lent as a part of the fasting. So the return of eggs to the menu (having allowed the chickens to 'rest') was a very important part of the feast that followed the Lenten time.

"He Is Risen"

"He is risen" is the central proclamation of Easter, celebrating the Christian belief that Jesus Christ overcame death and rose from the grave three days after his crucifixion, as reported in the Gospels. This phrase signifies victory over sin, the promise of eternal life, and hope for believers. The words "He is risen!" remind us of the joyous news we celebrate at Easter, that Jesus' death was not in vain. Easter clearly points out our great sin and our need for forgiveness, God's abiding love for us and the wonder and hope of the Resurrection. Saying "He is risen!" allows us to share this incredible truth with each other. The resurrection of Christ gives us hope for salvation and for our own resurrection and eternal life.
